ABOUT US

About Blesscraft

Specialists in Corporate Events, Sports Events & Exhibitions

Blesscraft renders strategic, creative and turnkey solutions for event planning services.

With a dexterous team having more than 10 years of experience, we enlighten our client with our proactive and impeccable services.

We are passionate about what we do and that is planning & executing events. Our passion and dedication, combined with the experience of our in-house event wizards equip us to exceed client expectations.

Who We Are ?

Experienced

Over 10 years of collective experience

Integrate

All BTL solutions under one roof

Innovative

Execute maverick ideas

Efficient

We value the money you spend

Effective

Our goal is to meet client's objectives

OUR PROJECT

Auto Expos

We are the stalwarts of automobile segment having started our journey in this segment. With 10 years of experience in the automobile sector, we are now bringing our stellar concepts to the market.

Our latest auto show “Deals on Wheels” took place in the vibrant city Ludhiana and we brought 14 elite auto such as Mercedes, Honda Bigwing and Volvo under one roof which is a rare feat for any brand to accomplish.

SPORTS EVENTS

We work like no other in the industry and are known to acquire permissions for locations where others struggle to hold events and that is our USP.

Our forte is finding awe inspiring venues and locations and smoothly executing events with due permissions in hand. We have successfully concluded about 20 big racing events and more than 200 stunt shows Pan India including locations like North East regions of India.
